Per my previous email, please send the final signed version to me. I am supposed to put it all together and file it.

Andy – per my voice mail this morning, the internal approvals are in place for Atlantic Richfield to sign the AOC Amendment that covers the commitment to provide funds for USGS monitoring in the Anaconda Area. In the ‘final’ I received from EPA, the signature block had been set up for Roy Thun; Roy does not have authority to sign an AOC. I revised the signature block for Ron Halsey, a Vice-President of Atlantic Richfield Co. to sign the AOC Amendment. In all other respects the text of the Amendment is the same as that which Henry had circulated previously.

I hope to have the signed Amendment to you by the end of the week. Please call with questions.

Bill
